FIVE-MILE LAPDevonovich Sets Fast Pace in  
This Race—Half-Mile Rec-  
ord Equaled.

The five-mile lap race was easily the feature card at the Salt Palace last evening. It was fast and witnessed a good finish. "Whiskers" Devonovich needed the money and went after laps with a regularity that brought out cheers from the crowd. When the finish neared Palmer started in the front, with Demara, but M'Farland began to unwind about this time with Downing fighting to hold on to second.

Samuelson and West were too much for the other teams in the tandem pursuit race. It took them nearly three miles to run the other two teams off the track, but they accomplished it without trouble.

The three-quarters-mile handicap, professional, was too fast for the back mark men and went to Palmer in a close finish with the 17 markers.

In the final of the half-mile, amateur, Crebs finished in a fast sprint, yards to the good, winning the race in 53.3 seconds, equalling the record.

The summaries:

Half-mile open, amateur (final)—Crebs, Samuelson, Lawrence. Time, 53.5 seconds (equal record).

Three-quarters-mile handicap, professional (final)—Palmer (50 yards), West (30 yards), Samuelson (seats), Hollister (25 yards). Time, 1:22.1-5.

One mile handicap, amateur (final)—Brodbeck (45 yards), Meyer (30 yards), Lawrence (seats). Time, 2:31.3-5.

Five-mile lap, professional—M'Farland, Downing, Hollister, Palmer. Time, 30:23.5.

Tandem pursuit—Samuelson and West, Palmer and Morgan, Demara and Mitten. Time, 5:43. Distance, 2 miles 6 laps 146 yards.

## WHITE WINGS - OCCIDENTALS

Colored Boys After Lumley's Aggre-  
gation at Walker's This  
Afternoon.

What promises to be one of the most interesting games since the state league opened its season is scheduled for this afternoon when the Fort Douglas team with the Occidental line-up goes up against the strengthened White Wings. Arrangements have been made to use the entire Occidental team, believing it is a much stronger combination than the fort team. The colored boys are out to prove this, and in consequence may be expected to make a good showing. They, as well as their friends, have claimed all along that they are fast enough to play in league company, and if this is shown in today's and tomorrow's games, there is a chance that they may be taken into the league. The game is scheduled for Walker's field for 3:30 p. m. today.

SWEET MARIE  
IS GAME AGAINWins Free-for-All Race for  
Championship of World  
at Readville.

Readville, Mass., July 10.—Sweet Marie won the free-for-all race at the New England breeders' track for the trotting championship of the world today, capturing the first and third heats and losing the second to Major Delmar. Wilkes Heart was a poor third, except in the second heat, when he took second place after a hard struggle for the lead. The best time was made in the first heat, 2:06.4.

In the final heat Major Delmar got away from the wire at top speed and led by a length at the quarter pole, but Andrews drove Sweet Marie hard in the back stretch and, passing MacDonald at the three-quarters, won easily. Wilkes Heart had a slight advantage in the second until the home stretch was reached, when he weakened, allowing Major Delmar to win handily. Sweet Marie made a bad break soon after the field got the word, and trailed behind, but coming home she barely missed beating Wilkes Heart for second place.

The time for this heat was 2:08.4, the first half mile being covered in 1:02.4. Major Delmar and Wilkes Heart raced like a team to the seven-eighths pole in the final heat, with Sweet Marie trailing two lengths behind. At this point Wilkes Heart began to weaken, while Andrews was coming very fast with Sweet Marie. The latter ran on even terms with Major Delmar at the long distance, when Delmar suddenly made a standstill break and Sweet Marie had only to jog to the wire, an easy victory, in 2:07.4.

AMERICA LEADS

Atlantic Carry Off Honors  
at Olympic Games.

Bisley, July 10.—With two gold medals to their credit and a useful lead in the first stage of the international team match, the American marksmen easily carried off the honors in the shooting contests held here today in connection with the Olympics.

The victory of Lieutenant Semen of Ohio in the 30-meter individual contest, in which he scored no less than 58 points over his nearest competitor, is regarded as a particularly brilliant performance, while Walter Winans defeated a great shot when he defeated Captain Rankin.

The great interest of the day centered on the international team match, in which the competition the Americans came off with top scores for the ranges. These comprise the first half of the contest. Tomorrow, the winners of this competition, in addition to securing the gold medals, will be acclaimed the champion marksmen of the world.

## DALTON TO MEET THOMPSON

(Special to The Herald.)

Ogden, July 10.—"Kid" Dalton and "Cy-clone" Thompson will be the next attraction in the boxing line for lovers of the sport in this city. The chief attraction, motor William Guiney made this announcement today after receiving a wire from both the little fellows. Guiney has named July 27 as the date and the place for the contest will be the Utah Hotel.

Dalton is the lad recommended by Jim Jeffries as a good opponent for Thompson, but this is not the only claim he has to go against the Sycamore boy. Dalton recently defeated Pete Sullivan at Los Angeles and it is more than likely that Thompson will have a harder nut to crack than what he had in Sullivan.

A telegram yesterday received a reply to a telegram sent by Dalton, whom Guiney was trying to get on for a go at the Hot Springs. Nelson said he would like to come to Ogden, but that he was unable to take on any until after his fight with Gans at Ely next fall.

## TENNIS TOURNAMENT ENDS.

The Utah state tennis tournament came to an end yesterday, when the finals in the mixed doubles were played at the Country club. The match went to Miss Lyons and McLeod, this team taking the first and last set. The second set was won by Mrs. Callaghan and Roberts, by a love set. At this time it looked as if the team would surely win, but Miss Lyons and McLeod came back strong in the last set, winning by a 6-1 score. The scores were 6-1, 6-5, 6-1.

"BOOKIES" MAY  
GO TO PRISONIf Grand Jury Indictments Are  
Sustained, Many Will Feel  
Force of Law.

New York, July 10.—Indictments which, if sustained on trial, may send twenty-two men charged with book-making to jail for one year each, were reported by the King's county grand jury today under the recently enacted anti-gambling laws. The indictments followed an inquiry extending over several days and marked the culmination of the enforcement measures adopted by the King's county authorities immediately after the passage of the law at a special session of the legislature which had been convened by Governor Hughes after the bills failed of passage at the regular session. Under the law, which makes the offense charged in the indictments a misdemeanor, only a prison sentence may be imposed upon conviction.

It is not unlikely that in event of one or more convictions on the indictments at least one case will be carried to the highest court on appeal for the purpose of testing the constitutionality of the law. If this is done, the chief contention of counsel for the respondents is expected to be based on the severity of the penalty provided. They will take the ground that the punishment is as excessive as to stamp out the whole law, as contrary to the constitution. That news of the indictments became known before they were reported to the court became apparent when it was found that every one of the twenty-two men named by the grand jury was present in court when the pur's report was made. They were accompanied
